Pleasure Series Rules and Class Descriptions

Participants interested in highpoint will pay a highpoint fee (5\$) at time of entry. Highpoint will be closed out to new entries once that highpoint's division has started.

Highpoint will be awarded to the rider with the most cumulated points in that highpoint category. Highpoint participants will receive 1 point for each contestant the rider places above in a class, not all class entries need to be highpoint participants to gain points.

Maximum points for a 1st place is 7 points.

*In a class of 3 entries, 1st place will receive 3 points, 2nd place/2 points, 3rd place/1 point.

*In a class of 15 entries, 1st/7 points, 2nd/6 points, 3rd/ 5 points... etc.

Single riders in a class, who are participating in highpoint, will receive 1 point.

A rider can win highpoint by default if they are the only participant in that highpoint.

The same horse/rider combination must be maintained in all highpoint classes to be eligible for that highpoint.

Green Horses: A Green horse is determined if the horse is in its first year of showing or has received 5 or fewer blue ribbons.

Halter/ Model Hunter Classes: To be shown in hand. To be judged on: way of going, soundness, confirmation, manners, and proper weight. Horses should be groomed to breed specifications and discipline. Will be asked to walk, jog/trot and line up. Handlers should be properly attired. Horses are to be shown in a lead shank of adequate length and strength or a bridle. Model Hunters 2 years and under may be shown in a halter and lead shank.

Novice: These classes are for exhibitors who have not won 5 blue ribbons. Ribbons won in this division during current show season do not affect your status for the year. Exhibitor may stay in this division for the whole year. Novice riders are permitted to enter Open classes.

Showmanship At Halter: To be judged on handler's ability to exhibit the horse to the best advantage. Handlers will be required to demonstrate proper showmanship and safety. May be asked to answer questions asked by the judge.

Walk/Jog & Walk/Trot Classes: Open to riders of any age. Riders to walk and trot/jog both ways of the ring. Walk/ trot, walk/jog riders may ride in the Beginner Hunter Ring ("B" Ring).

English/Western Pleasure: To be judged on the horse's movement and manners, with quality of movement paramount. Pleasure horses will be judged on suitability of the horse to a relaxed but collected cadence. Rider will be asked to go both directions at a walk, trot/jog, and canter/lope. The judge may ask for back.

Equitation/Horsemanship: To be judged on seat, hands, guidance, and control of Horse/Pony. Pattern may be asked for by the judge and/or may be asked to back.

Ranch Pleasure Horse: The Ranch Pleasure Horse should reflect versatility, attitude, and movement of a working horse. The horse's performance should simulate a horse riding outside an arena. This class should show the horse's ability to work at a forward, working speed while under control by the rider. Light contact should be rewarded and the horse shall not be shown on a full drape of reins. Overall manners and responsiveness of the horse while performing the maneuver requirements and the horse's quality of movement are the primary considerations.

Trail: This class will be judged on the performance of the horse over obstacles with emphasis on manners, response to the rider, and attitude. Horse shall be penalized for any unnecessary delay while approaching the obstacles. Credit will be given to those horses negotiating the obstacles with style, providing that carefulness is not sacrificed. Credit will be given to horses showing capability of picking their way through courses when obstacles warrant it, and willingly responding to rider's cues on more difficult obstacles. May be shown English, Western, or bareback.

Hunter Hack: To be judged on the flat and over two fences.

Bareback Classes: Bareback riders will be expected to show at the same ability as a fully equipped rider when entering open classes. Bareback riders will not be permitted in any over fences classes.

Go as you Please: A pleasure class to be judged on the horse, to be shown both ways at walk and "go as you please". Go as you please is whatever gait the rider feels their horse does best at. This can include canter, trot, pace, running walk, etc. Horses are judged on manners, way of going, and responsiveness to the rider. Although this is an informal class where show attire is not required, riders will still be expected to outfit themselves (horse included) appropriately for the breed and discipline they are representing. Open to bareback riders.

40 and Over: Open to any members who are 40 years of age or older as of August 1st, 2020. A pleasure class to be judged on the horse. Riders will present their horses English or western in both directions at walk, trot/jog, and canter/lope. Horses will be judged on manners, way of going, and responsiveness to the rider. Although this is an informal class where show attire is not required, riders will still be expected to outfit themselves (horse included) appropriately for the breed and discipline they are representing.
